

A Day In The Country Handmade & Vintage Market 2020 NEW Vendor Application

A Day In The Country Handmade & Vintage Market is an inspiring, two day, indoor/outdoor event featuring select quality vendors, live music and great food. This is our 7th year and the show is produced and curated by Bessie Zinz of Besserina and her aunt, Deb Willhite of Lakes Girl Vintage.

We are seeking creative & friendly vendors selling, fresh & current quality made goods, original art, vintage and antique items, re-purposed, handcrafted jewelry, specialty creative supply shops, great junk and amazing food. We seek vendors who put individuality, inspiration and thought into their spaces!

Show dates are Saturday, September 26th 9am–5pm & Sunday, September 27th 10am–3pm. Booth set up is Friday, September 25th from 8:30 am – 6 pm, no exceptions.

A Day In The Country takes place at the Portage County Randolph Fairgrounds, 4215 Fairgrounds Road, Atwater, Ohio 44201. It is our local county fair and we think it is perfect! Beautifully maintained, plenty of parking, nice clean buildings and easily accessible. The grounds are centrally located between Cleveland, Akron, Canton & Youngstown in Northeast Ohio.

Only items in the approved application may be sold.

The main draw to our event is VINTAGE and HANDMADE. Please keep mass-produced & reproduction items to a minimum; less than 20% of your inventory. This is very important to us.

We are not accepting applications from multi level marketing & direct sales vendors such as Pampered Chef, Thirty One, Origami Owl, etc.

All Vendors are responsible for collecting their own sales tax.

Cancellation Policy: A minimum cancellation charge of \$100 applies to all cancellations. Also, please understand that refunds will not be given for cancellations after August 1st.
